I have the honour to state that one Mr. Hosallappa, Village Panchayet Chairman, Ordagere Village, Tumkur Taluk. petitioned this office praying that the dilapidated Musafirkhana building at the place may be given to him free of cost. that he would imppove the building at a cost of Rs 1000/- and hand it over to the Education Department for the use of the primary school. The Sanitary Inspector, Tumkur Range, who was asked to report in the matter has reported that the building is in a deteriorating condition that even if it is repaired at a heavy cost it would be s shaby building, that the Village Panchayet is willing to pay a sum of Rs 1000/- within five years towards the cost of a new Musafirkhana and that the present building may be handed over to the applicant for the purpose referred to by him. I also inspected the building on the 26th December 1930 and I think that any amount spent on the repairs of the building would be a waste.

The subject was placed before the District Board at their meeting held on the 22nd January 1931 and they have resolved that the building may be given over to the applicant after obtaining necessary Mutchalika. A copy ofthe resolution of the Board is enclosed for perusal. I request that sanction of Government to the Board's proposal may kindly be
